## Minutes of Meeting Tuesday 9<sup>th</sup> of December 2008

Minutes recorded by Secretary in waiting Patric O'Callaghan – Meeting opened 8 pm

**MC** Tony (sic) opened the meeting with a number of funny jokes about Rudolf's Red nose and an Irishman with an implement that was doing something not nice but not to Rudolf.

**Apologies,** Helen Branch /Club Treasury (with Pixie Skase in Majorca getting some tips)

**Quests and Visitors:** Givient on a VX Road 800 Yamaha .....hope he come back again because Kevin and Ruth did from last meeting.

No comings and goings to speak of!

**Birthdays-** Roscoe (just cause he is crook), Noel (our grand mentor) and Keith who are all waiting for their telegrams from the Queen so we just sung them Happy Birthday.

### Agenda:

**President Report:** - Tina advised that our long time mate Roscoe had a heart attack and was in a serious condition in Joondalup hospital's intensive care ward was still there and attempts to contact him had failed! We were advised to send cards and further attempts were being made by Ruth to get an exact update on his condition. It was also good to see Danboy back after a stint in the infirmary. Tina also spoke about Dr Tom who has moved to Greenbushes (and not to be confused with moved to Greener pastures) and the love of his life Merram will be joining him and that will rob us of our most prized raffle organiser. He can't be that good Merram, please don't go????? Ah well love is grand!!! So we need a new ticket seller and folder. We also heard that Geo Wood was having knee surgery and we wished this lovely man a speedy recovery so he can get back to helping Aud with the Alpacas. Pete West was also in hospital but details sparse.

**Treasurer's Report-** Helen who is with Pixie Skase was a signatory for cheques so we as a branch agreed to have five cheques signed so as to facilitate day to day business( going to the TAB) while we searched this wide and long brown land for another Treasure. The search will be exhaustive as we seek a numerical wizard, a craftsman's of numbers. George put up his hand and was elected interim Treasurer and if he does a great job and I am sure he will he will become full time at the next office bearer election in June. Thanks George for putting your money where your mouth is for the club so to speak. hooray!

**Secretary's Report-** The Secretary stood up and spoke about the passing of Ian Rawlings, which is very sad for Natcom and the Ulysses family. He also spoke about the new Quartermasters line of crazy nails for the ladies and was mumbling something about long slender nails dragging down his back as the sweat dripped ....and then he came out of it and spoke of the JUGBUD system. The JUGBUD system is when a new member comes to the club we nominated a "Buddy" to attach themselves to that new member for the next month. Their obligation is to make contact with the new potential member and suggest that they take them to coffee and on a club ride at least once over the next month to make that person feel at ease with attending outings and getting to know the club. 7 members nominated to willing "JugBuds" Keith, Tony, Matt, Dave Steve (Yanchep) and Ken (Thanks guys) JugBud Matt introduced himself to this meeting's visitor and so JUGBUD's was born (cute little fella).

**Tour master Report-** Krusty Rusty Brian stood up and spoke of the rides with Tony telling us about his Ravenswood ride and Brain inviting us to the Peth foreshore for our Christmas BBQ on the 21<sup>st</sup>. Food supplied so that guarantees a huge roll out.

## Minutes of last month's meeting – Continued

**Editors Report-** Jim thanked all for their ride reports and begged for more as he does a great job but needs support

### General Business-

Pres Tina, raised the issue that there had been some points of view put forward by members for establishing a new Branch to cater for needs of a growing community . It was raised as a means of facilitating discussions so we get good healthy input as to where, why, if and how such a branch may be formed, there are 4 branches south of the great divide (Swan River) and one North so it sounds logical.

**Mug of the Month-** Mark Baker for allowing a defenceless young woman (Kerry) to run out of fuel after advising that the tank could do 200k easy and for allowing her to be chased by a pack of outlaw bikies wanting her Mum number plate.

**Heads and Tails-** Won by Steve and then Jim. Thanks Mark

**Merran's Christmas Raffle-** goody gum drops .....heaps of prizes to be won ,so the evening went on and on as we waited with baited breath to hear that our pink ticket with a small D numbered 23 had not been picked that time so we waited again until even the last prize was taken .....ah well there is next year.

Thanks to everyone, for giving of their time so freely and or money during this year to this wonderful club. Merry Christmas and a safe new year

Meeting self destructed when the last raffle ticket was drawn and trucks were backing in to take away the prizes

Patric

## **Fundraising Opportunity ...**

I am writing to you with an opportunity to raise funds for your club which involves no selling of products or effort gathering prizes and equipment as traditional fundraisers for sporting clubs usually require. I represent TriEvents, an event management organisation and we are seeking volunteers for two of our events which we are running in your area over the next two months. The two events are both triathlons and we require approximately 15 people for each event, in which the volunteers will hold down marshalling roles. The roles will involve ensuring the course remains safe for the participants and directions are clear.

As a result of providing much needed marshals for the event, TriEvents is prepared to offer \$30 per person for the event, which will require marshals for approximately 3 hours. This means your club could potentially raise \$450 from very little work. Sure beats selling chocolates or the preparation involved with a quiz night doesn't it!

If you are interested, please contact myself via email or on my mobile (0408 952 415) as soon as possible. If you are able to help in any way, it would be greatly appreciated. If you aren't able to offer 15 people, we could still use you!

**Hi all,**

**We have just done the Rockingham Triathlon and do the Waikiki next week. There are some more coming up in your areas soon, and I thought you guys (and girls) might want to give it a go. Maybe two branches could combine to get the 10 - 15 people? Sunday 18th January - Waikiki already covered by Warnbro branch**

**Friday 23<sup>rd</sup> January – Joondalup (Grand Boulevard) - Marshals required from 5.30pm to approx. 8.30pm**

**Sunday 25<sup>th</sup> January – Victoria Park (Albany Hwy) – Marshals required from 3pm to approx 6pm**

**Monday 26<sup>th</sup> January – Perth (Riverside Dr) – Marshals required from approx 12pm to 3pm**

**It's an easy fun way to make some money for the branch and non riders can help out too.**

**Hope some of you take advantage of the great opportunity.**

**Regards Chris Glover**

**President, Warnbro Sound Wanderers**

## **The Maid and her Pay Rise ...**

The Maid asked her employer for a raise in pay.

As you'd expect, the lady of the house was concerned about this and asked: 'Now Maria, why do you think you deserve an increase?'

Maria: 'Well Madam, there are three reasons why I feel I should have an increase.

Firstly, I iron better than you do.'

Lady of the house: 'Who said you iron better than me?'

Maria: 'The Master said so.'

Lady of the house: 'Oh.'

Maria: 'Secondly, I am a better cook than you.'

Lady of the house: 'Nonsense, whoever said you were a better cook than I am?'

Maria: 'The Master did.'

Lady of the house: 'Oh.'

Maria: 'And my third reason is that I am better in bed than you are.'

Lady of the house (very agitated now): 'Did the Master tell you that too?'

Maria: 'No Madam. the gardener did.'

**She got her pay rise!**

## The Joys of Marriage

On the evening of their 50th anniversary, a reminiscing wife found the negligee she wore on her wedding night and put it on.

She went to her husband, a retired Marine pilot, and said: "Honey, do you remember this?"

He looked up from his newspaper and said: "Yes dear, I do. You wore that same negligee the night we were married."

She said, "Yes, that's right. Do you remember what you said to me that night?"

He nodded and said, "Yes dear, I still remember."

"Well, what was it?" she asked. He was not much in the mood for this, but, he sighed and responded...

"Well, honey, as I remember, I said, 'Oh baby, I'm going to suck the life out of those boobs and screw your brains out.' "

She giggled and said; "Yes dear, that's it. That's exactly what you said. So now it's fifty years later, and I'm in the same negligee. What do you have to say tonight?"

He looked her up and down and replied..... " **Mission accomplished**".

## The Indian With One Testicle

There once was an Indian who had only one testicle and whose given name was 'Onestone'.

He hated that name and asked everyone not to call him **Onestone**.

After years and years of torment, **Onestone** finally cracked and said, 'If anyone calls me **Onestone** again I will kill them!'

The word got around and nobody called him that any more.

Then one day a young woman named Blue Bird forgot and said, 'Good morning, **Onestone**.'

He jumped up, grabbed her and took her deep into the forest where he made love to her all day and all night. He made love to her all the next day, until Blue Bird died from exhaustion.

The word got around that **Onestone** meant what he promised he would do. Years went by and no one dared call him by his given name until a woman named Green Bird returned to the village after being away. Green Bird, who was Blue Bird's cousin, was overjoyed when she saw **Onestone**. She hugged him and said, 'Good to see you, **Onestone**.'

**Onestone** grabbed her, took her deep into the forest, then he made love to her all day, made love to her all night, made love to her all the next day, made love to her all the next night, but Green Bird wouldn't die!

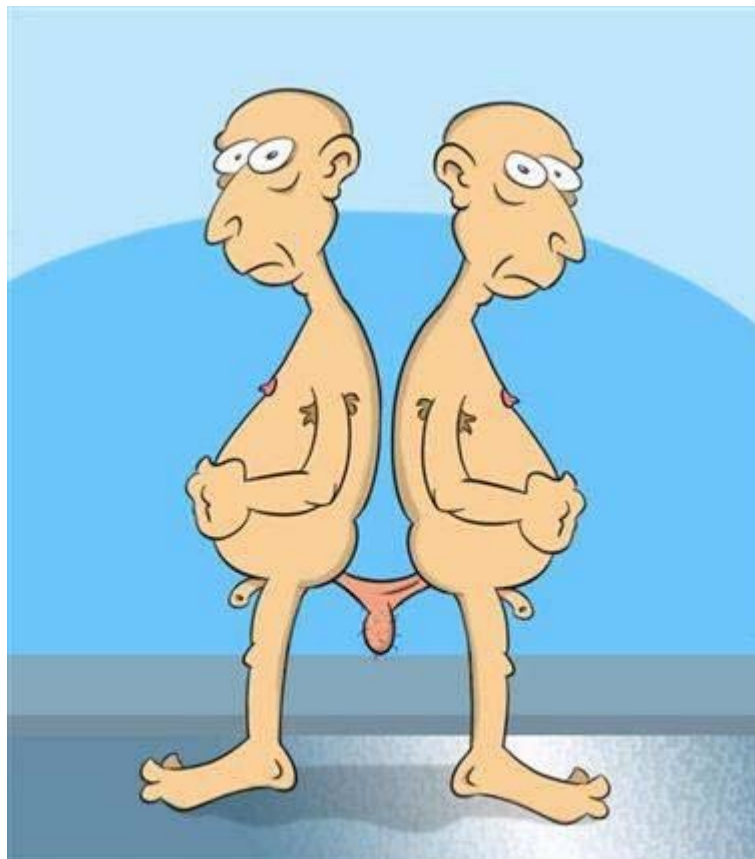

Why ?

OH, come on... take a guess!

Think about it!

Everyone knows...

# A Guy Goes into a Bar > > > > >

A guy walks in and sits down at the end of the bar.

Just a few seats down from him, there is a very buxom blonde with huge size 44DD breasts.

The guy orders a beer. The bartender fills the mug and slides it down the bar. It hits the lady's boobs and splashes all over them. The bartender goes over, retrieves the mug and licks the beer off the blonde.

Each time he calls for a beer this happens. So after his third beer, he decides to help the bartender out. The next time the bartender hits her boobs, the man jumps up and starts to lick her breasts...AND SHE DECKS HIM!!!

He's laying on the floor moaning and groaning, "Jeez...then why do you let the bartender do it?"

Because," says the blonde, "he has a licker license!"
