EMU NEWS Since last time? Dunno I suspect bugger all, so what about getting up to some mischief so I can report it. The Goldfields mob came down for a spin over the Australia day weekend they had a nice warm ride back on the hot Monday, while a few of us had some bikes on display at the even hotter Australia Day show, cripes it was enough to blister the paint in the shade. The AGM report is attached to this Newsletter.

A petrol station owner in Dublin was trying to increase his sales. So, he put up a sign that read, 'Free Sex with Fill-Up.'
Soon Paddy pulled in, filled his tank and asked for his free sex. The owner told him to pick a number from 1 to 10.
If he guessed correctly, he would get his free sex.
Paddy guessed 8, and the proprietor said, 'you were close. The number was 7. Sorry. No sex this time.'
A week later, Paddy, along with his friend Mick, pulled in for another fill-up. Again he asked for his free sex.
The proprietor again gave him the same story, and asked him to guess the correct number.
Paddy guessed 2 this time. The proprietor said, 'Sorry, it was 3. You were close, but no free sex this time.'
As they were driving away, Mick said to Paddy,
'I think that game is rigged and he doesn't really give away free sex.'
Paddy replied, 'No it ain't, Mick. It's not rigged at all.
My wife won twice last week!'

Homers Last Word

WHATEVER IT IS IT'S BETTER IN THE WIND.

So this guy in Bunnings approaches a lovely woman and says, "I've lost my wife in here somewhere. Can you talk to me a couple of minutes?"

The woman looks puzzled. "Why talk to me?" she asks.

"Because every time I talk to a woman with tits like yours, my wife appears out of nowhere."

A young woman goes to her doctor's office, afraid of the strange development on the inside of her thighs . . . a green spot on the inside of each.

"They won't wash off, they won't scrape off and they seem to be getting worse."

The doctor assures her he'll get to the bottom of the problem, and tells her not to worry until the tests come back.

A few days later, the woman's phone rings. Much to her relief, it's the doctor. She immediately begs to know what's causing the spots.

The doctor says, "You're perfectly healthy - - there's no problem. But I'm wondering, is your boyfriend a Harley guy?"

The woman stammers, "Why, yes, but how did you know?"

"Tell him his earrings aren't real gold."
