EMU NEWS This week brings the sad news of the tragic passing of one of our staunchest members Graham "Sharpie" Sharpe. Our most sincere condolences go to Od and the Sharpe families on their loss. There will be a memorial meeting at the Pink Lake Golf Club next Saturday the 28th at 10-00 am to remember Sharpie. We have been asked to provide some motorbikes to line the path. If you are riding your bikes to the Memorial please be there a bit earlier to line the bikes up.

Our condolences also go out to Ulysses members Steve & Eileen and Basil & Dawn on the passing of their brother and son in law Bruce. Bruce passed away after a long illness and will be remembered as a great fellow by our members who knew him. Our deepest sympathy go to Margaret, the Lance families and Basil & Dawn on your loss.

A psychiatrist was conducting a group therapy session with five young mothers and their small children.

'You all have obsessions,' he observed.

To the first mother, Mary, he said, 'you are obsessed with eating. You've even named your daughter Candy.'

He turned to the second Mum, Ann: 'your obsession is with money. It manifests itself in your children's names, Penny, Goldie and Frank.'

He turned to the third Mum, Joyce: 'your obsession is alcohol.

This too shows itself in your children's names: Brandy and Sherry. You even called the cat, "Whisky"

He then turned to the fourth Mum June: "Your obsession is with flowers. Your girls are called Rose, Daphne & Poppy.

At this point, the fifth mother, Kathy, quietly got up, took her little boy by the hand and whispered, 'Come on, Dick, this guy has no idea what he's talking about. Let's go pick up Fanny and Willy and go home.'

Hi, I am a current Ulysses member and reside in Pemberton and own The Old Pemberton Picture Theatre Holiday Accommodation complex. We recently attended the familiarisation night held in Denmark on Mon 9th Feb re your Annual General meeting in March next year in Albany - a very informative Evening.

After discussions with the local Visitors Centre it occurred to us that we could expect possibly large numbers of Ulysseans before and after the AGM perhaps spending a couple of days in Pemberton and the surrounding areas. A great idea and experience - they would be made most welcome.

To this end and to give local people an idea what to expect, our local Autumn Festival will be held on the Saturday May 2nd 09 and we would like to extend an invitation to all WA Ulysses Branches to attend the Festival. We have a small group of motorcyclists that run informal runs every 2nd Sunday and they are interested in becoming involved. Possibly we could organize a couple of informal events - perhaps a dinner in the evening and certainly a display of your bikes with a trophy supplied by ourselves on the Saturday afternoon for whatever you may decide. Our main street is closed down for the occasion.

If there is interest in this project from your Members could you contact me Graham Morris on info@oldpicturetheatre.com.au or 0897761513.

Yours In Motorcycling

Two priests are off to the showers late one night. They undress and step into the showers before they realize there is no soap. Father John says he has soap in his room and goes to get it, not bothering to dress. He grabs two bars of soap, one in each hand , and heads back to the showers. He is halfway down the hall when he sees three nuns heading his way.

Having no place to hide, he stands against the wall and freezes like he's a statue. The nuns stop and comment on how life-like he looks. The first nun suddenly reaches out and pulls on his manhood.

Startled, he drops a bar of soap. "Oh look" says the first nun, "it's a soap dispenser". To test her theory the second nun also pulls on his manhood. Sure enough, he drops the second bar of soap.

Now the third nun decides to have a go. She pulls once, then twice and three times but nothing happens. So she gives several more tugs, then yells...

"Holy Mary, Mother of God, HAND LOTION TOO!"

An old, white haired man walked into a jewelry store one Friday evening with a beautiful young gal at his side.

He told the jeweller he was looking for a special ring for his girlfriend. The jeweller looked through his stock and brought out a \$5,000 ring. The old man said, 'No, I'd like to see something more special.'

At that statement, the jeweller went to his special stock and brought another ring over. Here's a stunning ring at only \$40,000' the jeweller said.

The young lady's eyes sparkled and her whole body trembled with excitement. The old man seeing this said, 'We'll take it.'

The jeweller asked how payment would be made and the old man stated, 'By cheque. I know you need to make sure my check is good, so I'll write it now and you can call the bank Monday to verify the funds and I'll pick the ring up Monday afternoon,' he said.

Monday morning, the jeweller phoned the old man.

'There's no money in that account.'

'I know,' said the old man, 'But let me tell you about my weekend!'

Homers Last Word

"Sometimes when I reflect back on all the wine I drink I feel shame. Then I look into the glass and think about the workers in the vineyards and all of their hopes and dreams. If I didn't drink this wine, they might be out of work and their dreams would be shattered.

Then I say to myself, "It is better that I drink this wine and let their dreams come true than be selfish and worry about my liver."

Ride safe, Homer
