A doctor on his morning walk, noticed an older lady sitting on her front step smoking a cigar, so he walked up to her and said, "I couldn't help but notice how happy you look! What is your secret?"

"I smoke ten cigars a day," she said. "Before I go to bed, I smoke a nice big joint. Apart from that, I drink a whole bottle of Jack Daniels every week, and eat only junk food. On weekends, I pop pills, get laid, and don't exercise at all."

"That is absolutely amazing! How old are you?"

"Thirty-four," she replied.

EMU NEWS Its been a fair while since the last news letter and a lots happened in that time, the death of our mate Sharpie rocked the lot of us, his memorial service at the Pink lake golf club rooms was well attended by Sharpies family and friends. The Israelite Bay camp came and went, those who attended had a great time, exploring and fishing although there were more guests than Ulysses chaps, but Neville Varco proved that he would make a good member, he showed the required amount of disgracefulness to be a worthy Ulysses member, all he needs is a motorbike. The faithful have gathered for the Sunday rides, the Bird Park has been inspected and fun was had at the Gun Club shoot last weekend although most of the orange thingies that got flung into the air for us to knock down proved to be safe. If they had been ducks we would have gone home hungry. Od was looking around for a duck to knock down, but as the only clay that she hit was when her gun club bloke sighted up the gun for her I think any ducks silly enough to fly past would have been well and truly safe.

In this newsletter there is info on the Hopetoun camp with the Albany bunch, this was one of the more popular annual events when the group first started and would be great to see a good roll up to get a bit of interclub get togetherness happening again.

Ring the Hopetoun Caravan Park and book your site.

Keep in mind the Ulysses AGM in Albany next year, as you can see in the note from Mike Smith there is a heap of interest in this AGM and the available accommodation is being snapped up

Just in from Bill re numbers and accommodation left in Albany for the AGM.

Looks like things are filling up so you will need to get a wriggle on if you want to book.

Regards Mike

Dave was attending his fishing club's monthly meeting and had just told them he couldn't make the upcoming boys trip because his missus wouldn't let him go.

After copping the under the thumb remarks and other derisive remarks Dave left to go back home to the missus.

When Dave's mates started arriving to set up camp at the river the following week who should be there but Dave sitting there with a cold beer, swag rolled out, fishing rod in hand, camp oven roast stewing away in a hot bed of coals.

" How did ya talk ya missus into letting you go Dave?"

I didn't have to," was Dave's reply.

" When I left the meeting I went home and slumped down in my chair with a beer to drown my sorrows. Then the missus snuck up behind me and covered my eyes and said, "Surprise ".

When I peeled her hands back she was standing there in a beautiful see through negligee and she said, ' Carry me into the bedroom and tie me to the bed and you can do what ever you want.'

SO HERE I AM!

Email from Ray Prior about the camp at Hopetoun
Giddy Homer,

I have contacted the Hopetoun Caravan Park today & booked 3 cabins for the, (first in first served), Rainbow Coast crew, the rest will have to arrange their own. I have booked under my name as well as Ulysses & told the owner about Ulysses Club.

It is a go-er.

Cheers, Ray Prior# 14398

Two Irishmen were standing at the base of a flagpole, looking up.

A blonde walks by and asked them what they were doing. Paddy replied, 'We're supposed to be finding the height of this flagpole, but we don't have a ladder'.

The blonde took out an adjustable spanner from her bag, loosened a few bolts and laid the flagpole down.

She got a tape measure out of her pocket, took a few measurements, and announced that it was 18 feet 6 inches.

Then, she walked off.

Mick said to Paddy, 'isn't that just like a blonde!'

We need the height and she gives us the length'.

Homers Problem Page ask homer for advise

Dear Homer,

I hope you can help me. The other day, I set off for work leaving my husband in the house watching the TV. I hadn't driven more than a mile down the road when the engine conked out and the car shuddered to a halt. I walked back home to get my husband's help.

When I got home I couldn't believe my eyes. He was in our bedroom with the neighbour's daughter. I am 32, my husband is 34, and the neighbour's daughter is 22. We have been married for ten years.

When I confronted him, he broke down and admitted that they had been having an affair for the past six months. I told him to stop or I would leave him. He was made redundant six months ago and he says he has been feeling increasingly depressed and

worthless. I love him very much, but ever since I gave him the ultimatum he has become increasingly distant. He won't go to counseling and I'm afraid I can't get through to him anymore.

Can you please help?

Sincerely, Sheila"

"Dear Sheila:

A car stalling after being driven a short distance can be caused by a variety of faults with the engine. Start by checking that there is no debris in the fuel line. If it is clear, check the vacuum pipes and hoses on the intake manifold and also check all grounding wires. If none of these approaches solves the problem, it could be that the fuel pump itself is faulty, causing low delivery pressure to the injectors.

I hope this helps,
Homer.

After his exam, the doctor said to the Ulysses chap: 'You appear to be in good health.. Do you have any medical concerns you would like to ask me about?'

'In fact, I do,' said the old biker... 'After I have sex, I am usually cold and chilly; and then, after I have sex with her the second time, I am usually hot and sweaty.'

After examining the Ulyssian's wife, the doctor said: 'Everything appears to be fine Do you have any medical concerns that you would like to discuss with me?'

The lady replied that she had no questions or concerns.

The doctor then said to her: 'Your husband had an unusual concern. He claims that he is usually cold and chilly after having sex with you the first time; and then hot and sweaty after the second time. Do you know why?'

'Oh, that crazy old fart!' she replied. 'That's because the first time is usually in July, and the second time is in January.'
