## RAMPLESS TRAILERS

by John Macleod, Rampless WA  
mobile: 0406 432 661 [ramplesswa@gmail.com](mailto:ramplesswa@gmail.com)

I would greatly thank you for putting this into the newsletter for me. All Ulysses Members will receive a 10% discount on ordering one of these beauties.

There are videos on the distributor's website [rampless.net](http://rampless.net) showing how easy it is even for me to load up a bike. The two wheelers will stay upright once loaded into the front wheel locking mechanism., allowing you to easily tie down the bike then wind it up level ready for travel.

So, in addition to being the Western Australian Ambassador/Agent, I am hiring out my trailer for any Ulysses Members wishing to travel in comfort and ride when they arrive. Weather is never an issue. Suit yourself when you ride and can return home any time in your car. Ideal for all of us who do not ride long distances for various reasons. Once the business is up and running, I will purchase another trailer to have on hand for hire.

So I am here to answer the questions and if you have any ideas how to share with all Ulysses Branches, I would greatly appreciate this.

## HOT AND THROBBING

by DOT CAMERER, Editor (23934)

The Christmas Picnic was held in a delightful setting at Churchman Brook and was well attended by newer and older (in membership years) Members.

I apologise for this issue being late. I have just had a short trip to Reading and Lewisham in the UK to attend the funeral of Andy, my son Kendon's husband, aged 53 and to support Kendon. Friends came from Toronto, Athens, the UK and two of us from WA. Approximately 100 people attended the funeral in Ashampstead and 5 of us attended the cremation two days later. That was a really sad bit.

It was the frivolities afterwards that I found a little difficult to handle with my frivolous companions all being in their 50s. We didn't go to bed before midnight and twice it was 3:00am!

On the way home, the Boeing 777 from Dubai to Perth resembled a rather large sardine can. There was an extra seat across the width of the aircraft and most likely more rows of seats as well. Grrrr We were so glad to extract ourselves from this and find a comfortable bed, any bed really.

## A MAN MET A BEAUTIFUL BLONDE LADY

submitted by CLAYTON CREAM (64245)

A man met a beautiful blonde lady and after a short courtship asked her to marry him.

She said, 'But we don't know anything about each other.'

He said, 'That's all right, we'll learn about each other as we go along.'

So she consented, they were married, and off they went on a honeymoon at a resort. One morning they were lying by the pool, when he got up off of his towel, climbed up to the 10 metre board and did a two and a half tuck, followed by three rotations in the pike position, at which point he straightened out and cut the water like a knife. After a few more demonstrations, he came back and lay down on the towel.

She said, 'That was incredible!'

He said, 'I used to be an Olympic diving champion. You see, I told you we'd learn more about each other as we went along.'

So she got up, jumped in the pool and started doing laps. After seventy-five laps she climbed out of the pool, lay down on her towel and was hardly out of breath

He said, 'That was incredible! Were you an Olympic endurance swimmer?'

WAIT FOR IT!!.....

'No,' she said, 'I was a prostitute in Mildura, but I worked both sides of the Murray!!!'

## TITANIC

submitted by PETER CRIPPS (15841)

A plane leaves JFK airport under the control of a Jewish Captain. His co-pilot is Chinese. It's the first time they've flown together and an awkward silence between the two seems to indicate a mutual dislike.

Once they reach cruising altitude, the Jewish Captain activates the auto-pilot, leans back in his seat and mutters, "I don't like Chinese."

"No rike Chinese?" asks the co-pilot, "Why not?"

"You people bombed Pearl Harbour, that's why."

"No, no", the co-pilot protests. "Chinese not bomb Peahl Hahbah. That Japanese, not Chinese."

"Japanese, Chinese, Vietnamese. Doesn't matter, you're all alike."

There's a few minutes of silence.

"I no rike Jews", the co-pilot suddenly announces.

"Oh yeah, why not?" asks the Captain.

"Jews sink Titanic," says the co-pilot.

"What? That's insane. Jews didn't sink the Titanic", exclaimed the Captain. "It was an iceberg."

"Iceberg, Goldberg, Greenberg, Rosenberg, no matter....all bloody same."

## A PUZZLE FOR THE WHIZZ KIDS

by KURT MUELLER (25593)

Yesterday I walked into a hardware store and picked up an item and asked the clerk the price. He told me that it is \$3.00. I then asked how much 12 would cost me. He answered that it would cost me \$6.00 to purchase 12.

"Hmmm" I said, "how about 144?"

He looked at me a bit perplexed at the question and said naturally that would be \$9.00 to purchase 144.

## WHAT THE ????

submitted by TAIA BENNETT (38676)

An English Father goes into his daughter's bedroom and sees a letter addressed to "Mummy and Daddy" on the bed. With a heavy heart he opens it and reads:

Dearest Mummy & Daddy,

It is with great regret and sorrow that I'm telling you that I've eloped with my new boyfriend. I've found real love and he is so nice - especially with all his piercings, scars, tattoos and his big American motorcycle. But it's not only that, I'm pregnant and Ahmed said that we will be very happy in his caravan in the bush. He wants to have many more children with me and that's one of my dreams, too. I've learned that marijuana does not hurt anyone and we'll be growing it only for us and Ahmed's friends.

They're the ones providing us with all the cocaine and ecstasy we could ever want. In the meantime, we'll pray for science to find a cure for AIDS, so Ahmed can get better. He really deserves it.

Don't worry about money. Ahmed has arranged for me to be in films that his friends Leroy and Jahmal make in their basement. Apparently I can earn £200 per scene, and I get a £200 bonus if there are more than 3 men in the scene and an extra £100 for the sheep.

Don't worry, Mummy.....now that I'm 15, I know how to take care of myself. Someday we'll visit you and Daddy so that you can meet your grandchildren. Your loving daughter,

Sarah.

PS: Daddy, it's not true - I'm watching television with Jessica and her parents next door. I just wanted to show you that there really are far worse things in life than England losing The Ashes.

# 2017 DARWIN AWARDS—A REPEAT WITH SOME NEW ONES

submitted by Jenny Beake

When his .38 calibre revolver failed to fire at his intended victim during a hold-up in Long Beach, California would-be robber James Elliot did something that can only inspire wonder. He peered down the barrel and tried the trigger again. This time it worked.

## The Honourable Mentions:

Seems an Arkansas guy wanted some beer pretty badly. He decided that he'd just throw a cinder block through a liquor store window, grab some booze, and run. So he lifted the cinder block and heaved it over his head at the window. The cinder block bounced back and hit the would-be thief on the head, knocking him unconscious. The liquor store window was made of Plexiglas. The whole event was caught on videotape.

---

As a female shopper exited a New York convenience store, a man grabbed her purse and ran. The clerk called 911 immediately, and the woman was able to give them a detailed description of the snatcher. Within minutes, the police apprehended the snatcher. They put him in the car and drove back to the store. The thief was then taken out of the car and told to stand there for a positive ID. To which he replied, "Yes, officer, that's her. That's the lady I stole the purse from."

---

The Ann Arbor News crime column reported that a man walked into a Burger King in Ypsilanti, Michigan at 5am, flashed a gun, and demanded cash.

The clerk turned him down because he said he couldn't open the cash register without a food order. When the man ordered onion rings, the clerk said they weren't available for breakfast. The frustrated gunman walked away.

---

When a man attempted to siphon gasoline from a motor home parked on a Seattle street by sucking on a hose, he got much more than he bargained for. Police arrived at the scene to find a very sick man curled up next to a motor home near spilled sewage. A police spokesman said that the man admitted to trying to steal gasoline, but he plugged his siphon hose into the motor home's sewage tank by mistake. The owner of the vehicle declined to press charges saying that it was the best laugh he'd ever had and the perp had been punished enough!

The chef at a hotel in Switzerland lost a finger in a meat cutting machine and after a little shopping round, submitted a claim to his insurance company. The company expecting negligence sent out one of its men to have a look for himself. He tried the machine and he also lost a finger. The chef's claim was approved.

---

A man who shovelled snow for an hour to clear a space for his car during a blizzard in Chicago, returned with his vehicle to find a woman had taken the space. Understandably, he shot her.

---

After stopping for drinks at an illegal bar, a Zimbabwean bus driver found that the 20 mental patients he was supposed to be transporting from Harare to Bulawayo had escaped. Not wanting to admit his incompetence, the driver went to a nearby bus stop and offered everyone waiting there a free ride.

He then delivered the passengers to the mental hospital, telling the staff that the patients were very excitable and prone to bizarre fantasies. The deception wasn't discovered for 3 days.

---

An American teenager was in the hospital recovering from serious head wounds received from an oncoming train. When asked how he received the injuries, the lad told police that he was simply trying to see how close he could get his head to a moving train before he was hit.

---

A man walked into a Louisiana Circle-K, put a \$20 bill on the counter, and asked for change. When the clerk opened the cash drawer, the man pulled a gun and asked for all the cash in the register, which the clerk promptly provided. The man took the cash from the clerk and fled, leaving the \$20 bill on the counter. The total amount of cash he got from the drawer... \$15.

**AUSTRALIAN UMBRELLA**

submitted by MIKE SHIPTON (16465)

Even polite Australians are fed up with protesters.

This story was submitted by someone who witnessed the incident in an underground station in Melbourne.

There were protesters on the Flagstaff station concourse handing out pamphlets criticising Australia for its policy towards political refugees, Muslims who were looking for a better life, participation in the Iraq war and continued presence in Afghanistan.

I was approached by a protester with a pamphlet but politely declined to take one.

An elderly woman behind me was getting off the escalator and a young (20-ish) female protester offered her a pamphlet, which she also politely declined.

The young protester put her hand on the woman's shoulder as a gesture of friendship and in a quiet voice said: 'Madam, don't you care about the children of Iraq?'

The elderly woman looked up at her and said: 'My dear, my father died in North Africa during World War 2, I lost my husband in Korea and my grandson in Afghanistan. All three died so you could have the right to stand here and criticise our country. If you touch me again, I'll stick this umbrella up your arse and trust me, I'll open it.'

**BILLY CAME DOWNSTAIRS**

submitted by CLAYTON CREAM (64245)

Billy came downstairs crying his eyes out. His mother asked, "What's the matter now?"

"Dad was hanging pictures, and just hit his thumb with a hammer," said Billy through his tears.

"That's not so serious," soothed his mother. "I know you're upset, but a big boy like you shouldn't cry at something like that. Why didn't you just laugh?"

"I did!" sobbed Billy!!..

## WHO IS JACK SCHITT??

submitted by PETER CRIPPS (46673)

For some time many of us have wondered just who is Jack Schitt?

We find ourselves at a loss when someone says, 'You don't know Jack Schitt!'

Well, thanks to genealogy efforts, you can now respond in an intellectual way.

Jack Schitt is the only son of Awe Schitt.

Awe Schitt was married to O Schitt, the fertiliser magnate and owner of Needeep N Schitt Inc. They had one son, Jack.

In turn, Jack Schitt married Noe Schitt. The deeply religious couple produced six children: Holie Schitt, Giva Schitt, Fulla Schitt, Bull Schitt and the twins Deep Schitt and Dip Schitt.

Against her parents' objections, Deep Schitt married Dumb Schitt, a high school dropout.

After being married 15 years, Jack and Noe Schitt divorced. Noe Schitt later married Ted Sherlock and because her kids were living with them, she wanted to keep her previous name. She was then known as Noe Schitt-Sherlock.

Meanwhile, Dip Schitt married Loda Schitt, and they produced a son with a rather nervous disposition who was nick-named Chicken Schitt.

Two of the other six children, Fulla Schitt and Giva Schitt were inseparable throughout childhood and subsequently married the Happens brothers in a dual ceremony.

The wedding announcement in the newspaper announced the Schitt-Happens nuptials.

The Schitt-Happens children were Dawg, Byrd, and Horse.

Bull Schitt, the prodigal son, left home to tour the world.

He recently returned from Italy with his new Italian bride, Pisa Schitt.

Now when someone says, "You don't know Jack Schitt," you can correct them.

Sincerely

Crock O Schitt

## POLITICALLY INCORRECT

submitted by Jenny Beake

This surprise announcement follows Ferrari's decision last month to take advantage of the Australian Government's 'Work for the Dole Scheme' by hiring unemployed Aboriginal youths from Moree for their Formula 1 pit crew.

The decision to hire the youths followed a recent ABC television documentary showing how Aboriginal youths were able to remove a set of car wheels in less than 6 seconds without proper equipment, whereas Ferrari's regular pit crew can only do this in 8 seconds with the aid of millions of dollars in high tech gear.

As most races are won and lost in the pits, Ferrari was confident the hiring of the Aboriginal youths would give Ferrari a decided advantage over every other F1 team.

However, Ferrari got more than they bargained for during the F1 race on Sunday when, during the first pit stop, the Aboriginal crew changed all four wheels in under 6 seconds but within 32 seconds had re-sprayed, re-badged and sold the car to the McLaren team for 10 cases of Toohey's New, a Holden Ute and a quick look at Jenson Button's girlfriend in the shower.

## DOUBLE-GLAZED WINDOWS

submitted by CLAYTON CREAM (64245)

Last year, I replaced, like, all the windows in my house with those expensive, double-pane, energy-efficient kind.

Today, I, like, got a call from the contractor who installed them. He complained that the work had been completed a year ago and I still hadn't, like, paid for them. OMG!

Hellloooo!!!! Just because I'm blonde doesn't mean that I'm, like, automatically stupid. So, I told him just what his fast-talking sales guy told me last year -- that these windows would, like, pay for themselves in a year. Helllooooo. It's been a year, so they're, like, paid for, I told him.

There was only silence at the other end of the line, so I finally hung up.

He never called back. I bet he felt like an idiot.

## FAVOURITE ROADS RIDE Some Sunday Soon

Leave East Perth at 9:00am. If it's above 33C degrees, I'll postpone the ride.

This is a familiar one to some of you, but I'll never get used to four of the roads in the loop@ They can be enjoyed at a relaxed pace or a bit more enthusiastically at dizzying speeds up to and including the speed limit!

The road surfaces are pretty good and there's no getting away from the sweeping bends and the fastish straights.

Distance is about 300km  
Fuel—plenty along the way.  
Where to? It's a surprise.  
Coffee break to be announced.

## BRUNCH IN TOODYAY Sunday 25 February

If the weather forecast is above 33C degrees, I will defer the ride. This ride will be almost exclusively on back roads.

Leave from East Perth at 9:00am. Distance from East Perth to Toodyay is 115km. Brunch in Toodyay approximately 10:30am.

Distance return, different route, about 125km. Total ride = 240km.

We will corner mark after Toodyay until we reach Great Northern Highway.

## SCULPTURES BY THE SEA RIDE Sunday 11 March

This short ride leaves from East Perth at 9:00am.

A morning ride to the beach via some northern beaches. Sculptures by the Sea is on at Cottesloe. The roads are mostly suburban.

We will arrive at Cottesloe before lunch. There are several places to buy food, however, it will be crowded. So, if you want to eat there, consider bringing a picnic or be patient.
